

Activity 2 - Poem

With the following HTML, please use CSS to format the poem. Be creative!

You can [directly download](#) (zip file) this as an [Intel XDK](#) project. The file we are editing is **www/index.html**

NOTE: This activity is best conducted in the XDK (or in CodePen), **not in the discussion forum** below. The discussion forum includes its own stylesheet which may override the styles you want to experiment with.
