

# Recipe project - Week 3

This week, we're going to make our Recipe Web page look a lot better using the CSS that you've been learning. See what you can do with backgrounds, margins and size settings to get your Web page looking more like this:

## My Favorite Recipes

- [Tacos](#)
- [Pizza](#)
- [Potatoes](#)

### Tacos

#### List of ingredients:

- Ingredient 1
- Ingredient 2
- Ingredient 3

This is how you make recipe 1:

If you'd like to see what we did for week 2, you can find it [here](#).

Give it a try, after that you can watch the video below to see what we did. Add to the

discussion if you have any questions or anything to share. Good luck!
